

*We express our sincere condolences to
Theresa Bryant and Family*

We are very saddened to announce that one of our longtime friend and co-worker at the Department of Social Services has experienced a great family tragedy.

As you may have heard, Ms. Theresa Bryant's family home was destroyed by fire over the past weekend. It is with great sorrow that we also learned of the loss of Theresa's daughter and granddaughter in this tragedy.

We express our sincere condolences to the family and in an effort to provide some assistance we will be accepting donations on behalf of the family. Below is a list of liaisons in each office who have agreed to collect donations on behalf of the Department for the Bryant Family. We appreciate any contributions you are willing to offer. We will provide additional updates as we receive them.
