CSEA Unit 9200 Members:

Your contract Negotiations Team met with the Westchester County negotiator on June 29<sup>th</sup> and we were presented with a proposal.

Based on the information we received, CSEA has requested some additional information and clarification on some of the items in the proposal. We hope to receive this additional information within the next few weeks.

It is always our goal to present a contract that is beneficial to the hardworking, dedicated members of CSEA 9200, and we believe the parameters of this proposal are promising.

The CSEA Unit 9200 officers and Negotiations Team want to extend their gratitude and appreciation for your patience and support over the past four years, and we ask for just a little bit more patience.

In solidarity,
