CSEA Legislative Alert regarding the NY Health Act

Attached are two informational fliers regarding the NY Health Act. We've been discussing this proposal for years now (since the mid-2010s), and are unified with most other unions in opposing this legislation. State legislators know where we stand, and the NY Health Act is not being actively considered by the legislature, even though there is legislation.

If that were to change and the NY Health Act were to begin moving towards becoming reality, CSEA is fully prepared to vigorously oppose this legislation. We continuously monitor the NY Health Act along with all pertinent state legislation. We will have a presentation with CSEA Region 3 Political Action Chair Chris Ludlow at our upcoming member meeting on Tuesday, May 28, 2024 @6pm.

In Solidarity,

Hattie Adams, President

CSEA Westchester Unit 9200 Executive Officers and Union Representatives
