HOLIDAY
MEETING

AT THE

GREENTREE COUNTRY CLUB

New Rochelle, New York

DECEMBER 12, 2025

As we celebrate this holiday season, I want to extend my heartfelt appreciation to the hardworking members of the Westchester County. Your dedication, professionalism, and commitment to public service strengthen our communities and uphold the values that define CSEA.

Wishing you and your families peace, good health, and joy throughout this holiday season and into the new year.

In solidarity,

Mary E. Sullivan, President

SEASON'S
Greeting

With the holiday season here, our officers and staff at the CSEA Southern Region Office send you and your families our warmest greetings and hopes for a happy and healthy 2026.

We know that this year has been an exceptionally challenging one for you as county workers. Still, you've stepped up and met the unprecedented needs of Westchester residents, a reminder that CSEA union members truly are the backbone of this county.

My hope for you this holiday season is that you will have some time to slow down, connect with family and friends, and move into the new year refreshed and reenergized.

Thank you again for the work you do each day and thank you for being part of our great union.

In solidarity,

Rosemarie Kukys
Acting Southern Region President

Seasons Greetings

Dear Members of CSEA Unit 9200,

On behalf of the entire Unit 9200 Executive Board, I want to wish you and your families a joyful, peaceful, and restorative holiday season.

Over the past few months, we have had the genuine privilege of sitting down with colleagues from every department across our unit. We listened to your concerns, your day-to-day struggles, and—most importantly—your incredible talent and unwavering devotion to the work you do for our community. Meeting so many of you face-to-face has been the highlight of this year and a powerful reminder of why we do this work.

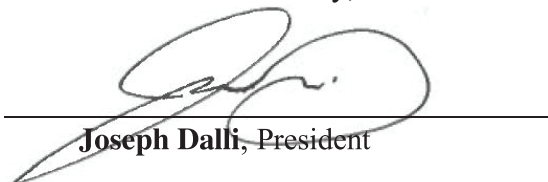

Because of your input, your ideas, and your willingness to step up, we are ending 2025 stronger than we began it. With your continued contributions, we are building an even more responsive and active union—equipped with energized committees, trained shop stewards, and members who are ready to stand together.

The New Year holds tremendous potential for Unit 9200. Contract negotiations, workplace improvements, professional development opportunities, and a louder collective voice are all within reach—but only if we build them together.

So as you enjoy this well-deserved time with loved ones, please know how grateful we are for each of you. Your dedication does not go unnoticed, and your union leadership is committed to having your back every step of the way.

Here is to a restful holiday season and an empowering 2026—together, we will make it our strongest year yet!
